

Meet Luna and Max

Luna - The Gentle Guardian

Luna is an 8-year-old female pug with a calm, affectionate temperament. She is known for her loyalty and her love of cuddling. Luna is particularly sensitive to changes in her environment and tends to become restless at night as she ages. To ensure her safety and comfort, her owner has adjusted her sleeping arrangements to prevent falls from the bed. Despite her age, Luna maintains a healthy weight and enjoys short walks in the morning sun. Her diet is carefully managed to support her joints and digestion.

- Breed: Pug
- Age: 8 years
- Temperament: Loyal, gentle, affectionate
- Health: Stable; joint support supplements added to diet
- Behavioral Note: Sensitive to noise and movement during the night
- Favorite Activity: Sleeping next to her human

Max - The Curious Explorer

Max is a 3-year-old male beagle known for his high energy, curiosity, and strong sense of smell. He loves exploring wooded areas and has a talent for finding small objects hidden in the grass. Max is highly trainable but requires regular mental stimulation to avoid boredom. He's part of a positive reinforcement training program and responds well to scent-based games.

- Breed: Beagle
- Age: 3 years
- Temperament: Curious, energetic, intelligent
- Health: Excellent; high activity level

- Behavioral Note: Needs structured play and scent challenges
- Favorite Activity: Tracking scents in the backyard
